

2019 Utah Asphalt Conference

CONFERENCE SCHEDULE

Day 1: February 26, 2019

Asphalt Basics

Room 200 A&B

10:00 AM—11:00 AM

Asphalt Placement Best Practices

Paul Ziman, FHWA

1:30 PM—2:30 PM

I Want My MTV: The Use of Material Transfer Vehicles (MTV) – Where & Why

Aaron Venz, Wheeler Machinery

3:00 PM—4:00 PM

Keep On Running: Paver & Compaction Equipment Maintenance 101

Marc Robinson, Honnen Equipment

Pavement Preservation

Room 200 C&D

10:00 AM—11:00 AM

Engineering New Products into the Marketplace

Joe Larusso, Asphalt Systems, Inc.

1:30 PM—2:30 PM

You Have Preservation Questions – Roadresource.org Has Answers

Dave Johnson, Asphalt Institute

3:00 PM—4:00 PM

Successes and Lessons Learned from UDOT's New Micro Surfacing Specification

Howard Anderson, UDOT; Rusty Price, Intermountain Slurry Seal

Construction And Engineering

Room 300 A&B

10:00 AM—11:00 AM

Using Recycling Agents to Increase Recycled Material Contents – Tools & Guidelines

Dr. Amy Epps, Texas A&M Transportation Institute

1:30 PM—2:30 PM

Infrared Thermal Profiler: Results from Field Demonstration Projects

Harold Von Quintus, Applied Research Associates, Inc.

3:00 PM—4:00 PM

You're Killing Me, Smalls: The Past, Present, and Future of Asphalt Mixes in Utah
Cort VanGorder, Kilgore Companies

Safety, Aggregates, And Asphalt Production

Room 300 C&D

10:00 AM—11:00 AM

Project Safety & Traffic Control Through the Eyes of an Inspector
Ed Rufener, South Salt Lake City

1:30 PM—2:30 PM

Handling, Sampling, and Treating Burns for Binder & Emulsions

Skyler Droubay, Double D Distribution; Craig Fabrizio, Staker Parson Materials & Construction

3:00 PM—4:00 PM

Performance Considerations for HILH RAP Mixes
Dr. Mikhail Ranka, All States Materials

Morning Keynote Speaker Ty Bennett; Luncheon Keynote Speaker Dale Murphy

2019 Utah Asphalt Conference

CONFERENCE SCHEDULE

Day 2: February 27, 2019

Industry, Innovation, and Design

Room 200 A&B

10:00 AM—11:00 AM

Overlay Preparation Using Expanding Structural Polymers

Ron Youngman & Roy Mathis,
Concrete Stabilization Technology

11:30 AM—12:30 PM

UDOT's eTicketing Initiative

Josh Van Jura, Utah Department of
Transportation

1:45 PM—2:45 PM

***Grow Your Business: Your Brand's
Story & Online Strategy***

Colby Kendell, Kendell Collective

2:45 PM—3:45 PM

***Emerging Technologies for Construction: Connected Job Sites,
Autonomous Rollers, and More!***

Greg Evans, SITECH

Pavement Preservation

Room 200 C&D

10:00 AM—11:00 AM

***Pavement Preservation:
Case Studies on Funding Street
Maintenance Programs***

Representatives from Highland City &
Provo City

11:30 AM—12:30 PM

***Where In-Place Recycling Fits into
Pavement Maintenance***

Steve Cross, Asphalt Recycling &
Reclaiming Association (ARRA)

1:45 PM—2:45 PM

***Slurry Seal Applications for
Agencies***

Eric Reimschiessel, American
Pavement Preservation

2:45 PM—3:45 PM

Chip Seals 101: Basics and Beyond

Monte Mason, Idaho Asphalt Supply

Construction and Engineering

Room 300 A&B

10:00 AM—11:00 AM

***Outstanding Small Asphalt Pavement
Projects in 2018***

Project Nomination Finalists

11:30 AM—12:30 PM

***Outstanding Large Asphalt Pavement
Projects in 2018***

Project Nomination Finalists

1:45 PM—2:45 PM

Utah: The State of Cracking Tests

Pedro Romero, University of Utah

2:45 PM—3:45 PM

***Principled & Proactive Project
Management***

Scott Fernald,
Granite Construction

Safety, Aggregates, And Asphalt Production

Room 300 C&D

10:00 AM—11:00 AM

***Balanced Mix Designs Geared for
Performance***

Shane Buchannan, CRH N. America

11:30 AM—12:30 PM

TBA

1:45 PM—2:45 PM

***Consolidating Mix Designs:
A Perspective from Production***

Luke Peterson, Staker Parson Materials & Construction

2:45 PM—3:45 PM

***Using Fibers in Asphalt:
Case Studies from UDOT***

Jared Dastrup, UDOT; David Gill,
UDOT; Nolan Poulsen, Pacific
GeoSource

Morning Keynote Speaker Wesley Ruff, ABC 4 Sports Director; Luncheon Keynote Speaker Rick Lewis
